## TESTIMONIALS

Perfectly organized, speakers with knowledge of the latest technology trends and fast-paced networking with industry leaders from all over the world – this is by far the best tech conference I’ve attended!

**JOSH DURAND**

Meeting with CEOs from top blockchain, IoT, and cybersecurity companies was truly exciting. Our exhibit booth attracted a lot of traffic and we also got the opportunity to speak with suppliers. Will definitely return next year.

**PETER BOYKIN**

The diversity of topics was amazing and I loved the panels. Networked with industry professionals and tech investors which has proved to be really helpful for our organization.
